

## **St. John's Registration Spring 2026**

The chart and steps below will guide you through registration for St. John's classes, offered through Monsignor Farrell for the Spring 2026 semester.

**Step 1.** Review your son's schedule. If a class listed on his schedule is found in the chart below under the column **Farrell Course** (left-hand side), he is eligible.

**Step 2.** Make sure your son is taking the class with the approved instructor. Approved instructors are indicated in the middle column, **Teacher**.

**IMPORTANT:** If any course is listed in **red** (below), Fall registration in the St. John's College Advantage Program is *required* for the student to have the option of registering for additional credit in the Spring of 2026 semester.

If the class is **not in red**, proceed to step 3.

**Step 3.** Go to the registration page by using this link: <https://apply.stjohns.edu/register/?id=c702beaf-1815-470f-8a43-74a043cdb4b0>

**Step 4.** Select the **St. John's Course** that corresponds to the **Farrell Course** that you identified on your son's Farrell schedule.
